

HAVE YOUR SAY! PROPOSED NEW SUBCOUNCIL BOUNDARIES

The City needs to amend the boundaries of subcouncils due to the demarcation of new wards.

The draft Subcouncil By-law proposes new boundaries for 24 (twenty-four) subcouncils.

There are currently two proposals under consideration for the clustering of the wards and the creation of new subcouncil boundaries.

The public is invited to comment thereon so that these comments can be considered before Council makes a final determination on the Subcouncil boundaries. The comment period closes on 12 October 2016.

Copies of the draft Subcouncil By-law are available at all subcouncil offices and City libraries for viewing purposes only.

You may also access the draft By-law and post comment at www.capetown.gov.za/subcouncilboundaries.
